

Sustain Dane Membership Benefits

100+ EMPLOYEE MEMBER

For over 20 years, Sustain Dane has positively impacted sustainability in Dane County. We offer you inspiring education, powerful connections through networking, and customized support to help you accelerate sustainable actions for your organization and community wellbeing.

INSPIRE

Engage with programs that feature local and national leaders in sustainability.

CONNECT

Build relationships with a diverse group of sustainability champions.

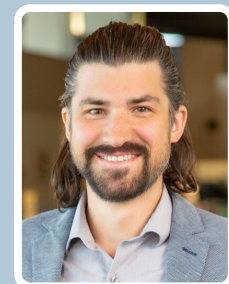

SHARE

Amplify your story as an organization with profit and purpose.

"Sustain Dane's program helped our group focus on specific short-term sustainability goals and work through them with a great group of companies. The program is a must, whether you've been working on initiatives for decades or just getting going."

— Ben Austin, J.H. Findorff & Son Inc.
